

The background of the entire image is a reproduction of the painting 'The Starry Night' by Vincent van Gogh. It features a swirling, turbulent blue sky filled with bright yellow stars and a large, glowing yellow sun or moon on the right. Below the sky, a dark, silhouetted cypress tree stands on the left, and a small town with glowing windows is visible at the bottom. The overall mood is contemplative and awe-inspiring.

COSMIC JOURNEY

You Are Not Alone in This Universe
(for moments of feeling small)

Envision the 13bn-year sky above your small streets. Feel the star-made atoms holding you upright.

These are facts that hold true quietly - no matter who/ or anyone notices. The cosmos that made you asks for no recognition — and neither does your worth.

Affirm 3x(taking a deep breath)

My cosmic journey! I'm made of stardust. I aim higher. These are scientific facts not just motivation.
